# Event Insurance

## WHAT IS IT AND WHY DO WE NEED IT?

We want your event to center around enjoying the moment. As such, event insurance is required for events at The Cellar on Railroad. This insurance protects you and your guests if you are held liable for property damage or bodily injury. It will also cover any unforeseen circumstances associated with your special day. It is not expensive and is worth every penny.

There are two policies required: a liability policy and a cancellation policy. The cost of the policies are reduced when you purchase them together.

Wedsafe.com and Wedsure.com are our preferred insurers.

# FREQUENTLY *Asked Questions*

---

- **What is event + cancellation insurance and why do you require it?**

Event and cancellation insurance protects you and your guests on your wedding day with a little extra coverage. Some insurance companies will also refund deposits if you have to cancel unexpectedly. We do carry our own liability insurance but require our guests to also carry protection for the safety of themselves and their guests.

- **Are there any service fees or additional charges?**

There is a 25% mandatory service fee added to your food and beverage total. All food and beverage charges are subject to 8.15% sales tax.

- **Can we reserve our rehearsal dinner as well?**

Absolutely! We'd love to host you and your guests for your rehearsal dinner before your wedding. Please let us know as soon as you know so we can reserve your event, and remember that you will take an additional 25% off the rental price.

- **Do you have a sound system or will we need a DJ?**

We are thrilled to be able to provide any music you'd like in our interior space and on the covered deck, however there is no sound system in the courtyard. For those who wish to hire an MC or DJ we will happily accommodate their setup.
